

POLIANA

KINGMAN / AURORA GOLD

This young broodmare, winner at 3 years old, is the result of the coming together of two cracks bearing the seal of Juddmonte Farms, the «top-miler» **Kingman** and the invincible **Frankel**. It should also be noted that the fathers of the dams above are called **Kingmambo** and **Roberto**... This is an exceptional sequence. The maternal origin is no less, always under the sign of the breeding of Prince Khalid Abdullah, since the first mother is a sister of the six-time Group I winner, **Midday**, and the famous relatives are called **Elmaamul** (Eclipse Stakes), **Reams of Verse** (Oaks), **Zafonic** (Two Thousand Guineas), **Zamindar**, etc. **Poliana** is, moreover, inbred on the base mare of this family, **Mofida** (5x4).
